

COURSE GUIDE 2026

DUAL DIPLOMA IN ICT AND ENGLISH

Route to the IT World

EC-COUNCIL

C|EH V13

■ **DESCRIPTION**

The Dual Diploma in ICT and English combines practical IT skills with advanced English proficiency. Students gain hands-on experience in computing, networking, programming, and digital tools, while improving academic English, writing, and presentation skills. This program prepares learners for higher education and professional careers by developing both technical expertise and effective communication abilities, enhancing employability and academic success.

■ **WHAT ARE THE BENEFITS IN STUDYING DUAL DIPLOMA IN ICT AND ENGLISH AT ATN?**

1. COMPREHENSIVE SKILL DEVELOPMENT

Students gain both technical ICT skills and advanced English proficiency.

2. ENHANCED EMPLOYABILITY

Knowledge of IT and strong communication skills make graduates highly competitive in the job market.

3. ACADEMIC READINESS

Prepares students for higher education, research, and professional studies.

4. PRACTICAL EXPERIENCE

Hands-on ICT projects and applied English exercises build real-world competence.

5. IMPROVED COMMUNICATION SKILLS

Academic writing, presentation, and professional English enhance confidence and effectiveness.

6. CAREER FLEXIBILITY

Academic writing, presentation, and professional English enhance confidence and effectiveness.

7. PROBLEM-SOLVING AND ANALYTICAL SKILLS

ICT projects develop logical thinking, while English modules enhance critical analysis and comprehension.

■ COURSE DETAILS

Course Name	Dual Diploma in IT & English
Duration	03 Months
Class	Two Days Class Per Week / 8 Hours
Language	English
Certificate	TVEC, ABE UK, ATN
Class Mode	Online / In-Person
Practical Training	Yes Available

■ COURSE CERTIFICATE

ATN CAMPUS

The ATN Campus Certificate is awarded to students who successfully complete approved short-term, diploma, professional, or preparatory programs at ATN Campus, in line with its academic structure and assessment standards. The certificate confirms that recipients have gained the necessary theoretical knowledge, practical skills, and academic competencies relevant to their chosen field of study. It serves as formal recognition of academic achievement and is intended to support students' career development, professional growth, and opportunities for further education both locally and internationally.

ABE UK

We are accredited and affiliated with the Association of Business Executives (ABE), UK, an internationally recognized, Ofqual-regulated awarding body. This affiliation ensures our Dual Diploma in IT & English program meet international quality standards and enables learners to gain globally recognised business qualifications that support career advancement and progression to higher education.

■ PREREQUISITES

Students should have completed **secondary education (O/L or equivalent)** with basic computer literacy. No prior programming or ICT knowledge is required, but a strong interest in technology and problem-solving will help students succeed in the program.

Students should have completed **secondary education (O/L or equivalent)** and possess **Basic English proficiency** in reading, writing, and comprehension. A willingness to improve academic English and engage in active learning is essential for successful completion of the program.

■ WHO CAN ATTEND

This program is ideal for school leavers, working professionals, and career changers who want to start a career in information technology. It is suitable for students planning to pursue further studies in IT, computing, networking, or software development. Individuals interested in acquiring practical ICT skills for professional or academic use will also benefit from this diploma.

■ LEARNING METHODOLOGIES

All our courses include the most effective adult learning methodology and techniques. Our experience shows that only a combination of these methods can guarantee the best learning outcomes for attendees.

VENUE - ATN CAMPUS Colombo / Kurunegala / Batticaloa

ADDRESS : 507, GALLE ROAD, COLOMBO 06
